

# HIV/AIDS Seminar

## 2-8 December 2007

### DAY 1

We had a fabulous first day. Representatives from 14 countries have come together at Sangam. Today, we learned about one another, toured Sangam, and began discussing advocacy and HIV/AIDS. Mealtimes were filled with conversation and delicious food. Our evening ended with a beautiful welcome ceremony.

### DAY 2

Girl Scouts and Girl Guides from over fourteen different countries enjoyed sharing dances and songs with each other. Salima got us all jumping around trying to learn a four step dance from Pakistan. Although we are not sure if we all mastered it, but we definitely had a great time.

### Day 3

The day began with fun at shopping with colourful saris and bangles around. In the afternoon we talked about sex and broke the ice. The day concluded with participants visiting different Indian families. This enabled us to have a rich cultural exchange!

### Day 4

The day was full of fun and education. We had fun playing soccer and learning and giggling about male and female condoms. We went out for delicious lunch at an Indian restaurant. We then

Proceeded to Deep Griha society where we learnt more about HIV/AIDS as well as had a tour of the neighbourhood where they do their awareness programmes

### DAY 5

Naranggi patrol would like to express sincere thanks to the entire staff of Sangam for the warm hospitality. Also yesterday's visit to Sahara was very educative in that it gave us a clearer picture of the issue of HIV/AIDS. We are sure that as we travel back to our various homes, we shall make an impact on this issue.

### Day 6

It's a sad feeling that the week has come to an end so fast. This day was full of learning and more so a deeper experience of Indian culture. After working on our advocacy plans, we had swimming then in the afternoon it was time to practice Rangoli as well as have mehendi on us and finally we were shown how to tie sari which was proceeded by the Maharashtra dinner and finally the closing ceremony.
