What about costs?

The event fee for this event is GBP 350. It covers all programme expenses, full board and dormitory-style accommodation from lunchtime on 6 October to after breakfast on 17 October.

'Sow a Seed' – Trefoil scholarships

In conjunction with this trip, the UK Trefoil Guild has planned a fundraising project. The project involves raising funds for scholarships to assist young women to take part in the Sangam Community Volunteer Programme (CVP) - they will be teaching very underprivileged children, sowing the seeds of learning to help them towards a better future.

Event highlights include:

- Celebrating the centenary of Girl Guiding/Girl Scouting with WAGGGS
- Visiting our community partners – sharing activities with the women and children
- Exploring Pune's culture and heritage
- Discovering Indian culture – spirituality, dance, music, food, crafts and more!
